Entries to the online provider – **Easy Dog Entries**, by Saturday 10th July.
Enquiries to Trial Secretary, Debbie Bisley, 0421276321. If you intend to **RUN/RIDE or RIDE POWER ASSIST** with your dog, please CLEARLY INDICATE on the entry.

If you have a disability please contact the Event Secretary to discuss any special considerations you require (bailey_bennett@yahoo.com) or 0421 276 321

Certificate of Soundness: you may download the certificate from the DCOV **web page** www.dalmatianclubofvictoria.com The certificate of soundness must be **completed by your vet** in the two weeks prior to the trial (i.e. 3rd July – 17th July)

The vetting team will collect the completed form on the day.

If you fail to bring a completed certificate, your dog cannot compete.

Check in is 8.30 am **SHARP!**

If you are running with your dog please note; you will be placed at the head of your group and you are expected to run at 10km per hour (for 2 hours). If you cannot maintain the pace, the judge will be forced to ask you to withdraw or disqualify your dog. Once you start to run you cannot change to using a bike. Please ensure you can run 20km at 10 km per hour as several running competitors have withdrawn at our previous trials.

You will be supplied a High Vis vest on the day, which is compulsory for competing in this event.

Please ensure you have a **helmet** if riding a bike, a **flat collar or harness** for your dog (no correction chains, no "halti" type appliances, no springer devises can be used). Have water bowl, snacks, drinks and tyre pump. If possible bring a spare bike in case of breakdown.

Please do not stray too far from the vetting station, to ensure you can hear your call.

Please note there will be a willingness to work test prior to commencement of 20km run and AFTER a 15 min. rest (at the conclusion of the run) and final vet check.

Awarding of pass cards and rosettes will take place when the group has completed the trial.
